

Glenn Costanzo

KITCHEN DESIGNER

Glenn brings 35 years of experience in design, construction, and project management to our Kitchen Design Showroom team. His experience includes kitchen and bath remodeling, from full custom kitchens to simpler cabinetry projects. In addition, Glenn has built stock and custom cabinets professionally, adding yet another level of knowledge and understanding to his kitchen design role. Outside of work, Glenn enjoys being outdoors (his favorite trip is a road trip), and his home of North Conway is a great place to enjoy all that nature has to offer. Glenn enjoys projects on houses of any vintage and he is excited to bring his extensive experience and passion to Team Hancock in North Conway. He looks forward to helping you create the space of your dreams!
