

Jenny Freeman

KITCHEN DESIGNER

With 18 years of experience in the construction industry, and 11 years as a Kitchen Designer, Jenny offers clients a wealth of experience and knowledge. Whether customers are looking to renovate an income property or create the kitchen of their dreams, Jenny provides the same attention to detail on each project. Additionally, Jenny will help keep customers within their budget and guide them through every step of the decision making process.

“As the heart of the home, your kitchen should reflect who you are—whether as the perfect gathering space for family and friends, or an incredible cooking haven. Working collaboratively, I will help bring your space to life. I take great pride on designing every space uniquely for each family.”
