KITCHEN DESIGNER

Steve Pratt has been designing kitchens and bathrooms for almost 30 years, including over 20 years at the Church Road location in Brunswick, first for Marriner Lumber and later for Hancock Lumber. Now located in our Yarmouth Design Center, Steve likes working with customers on projects of all sizes and particularly enjoys remodels on older homes. Call Steve when considering new kitchen or bath cabinets, or if it is time for new countertops, flooring or hardware to spruce up your kitchen or bathroom.

*“I love the challenge of working within an existing space. Working on older homes is like uncovering a story just waiting to be told.”*
